Professional Summary

Senior Frontend Developer with 5+ years of experience delivering high-performance mobile and web applications using React Native, React, Next.js, and TypeScript. Skilled in building scalable, user-friendly interfaces with a focus on performance optimization, clean architecture, and responsive design. Proficient in modern state management (Redux, Recoil, Context API), cross-platform development with Expo, and advanced RESTful API integration for SaaS platforms. Adept at working in agile teams, collaborating with designers and backend engineers, and leading projects from concept to deployment. Passionate about mentoring, clean code, and driving innovation with emerging technologies.

Core Competencies & Skills

HTML5 • CSS • JavaScript • TypeScript • Python • jQuery • React.js • Next.js • Node.js • Express.js • React Native • Expo • Redux • Recoil • Context API • MongoDB • MySQL • Tailwind CSS • SASS/SCSS • RESTful API Integration • Agile Collaboration • Cross-Platform Deployment • Git • Azure DevOps

Work Experience

MTN Nigeria — Senior Frontend Developer

Feb 2025 – Present

- Leading the development of enterprise-grade mobile and web applications, ensuring platform scalability and seamless performance.
- Designed and implemented optimized API integrations for improved data handling and speed.
- Spearheaded UI enhancements, resulting in a smoother and more engaging user experience.

AB InBev, Lagos — Senior Frontend Developer

Jan 2024 – Dec 2025

- Developed and deployed customer-facing web applications with a focus on accessibility and performance.
- Optimized application workflows using Next.js and React for faster load times.
- Integrated secure RESTful APIs, enabling smooth data exchange between services.
- Collaborated with design teams to deliver user-friendly and brand-consistent interfaces.

SMALLCLOSEDWORLD, Lagos — Lead Frontend Developer (Web & Mobile)

Sep 2024 – Apr 2025

- Led the design, development, and launch of cross-platform mobile applications on iOS and Android.
- Engineered robust API integrations to ensure stable and reliable data exchange.
- Enhanced UI/UX design to improve navigation and usability.
- Mentoring junior developers and promoting best practices across the team.

TECHBEAVER, Lagos — React Native Developer

Jan 2024 – Sep 2024

- Delivered high-quality mobile applications optimized for usability and speed.
- Managed complex state flows with Redux and deployed to iOS & Android stores.

Satori Mental Health, Lagos — Frontend Developer

Jul 2023 – Aug 2024

- Built responsive, accessible web apps with Redux-driven state management.
- Maintained clean, scalable codebases and improved cross-device UX.

SubShare Inc., Abuja — Frontend Developer (Web & Mobile)

Aug 2022 – Jan 2024

- Created interactive web & mobile apps using React and React Native.
- Delivered new features in alignment with client specifications and timelines.
- Enhanced legacy web features using jQuery for cross-browser compatibility and dynamic content updates
- Built responsive layouts with HTML5 semantic elements and CSS3, ensuring mobile-first design principles

Integrated Orange, Lagos — Frontend Developer

May 2019 – Sep 2022

- Developed responsive, interactive web apps using React.js and modern tooling.
- Integrated frontend with backend services via RESTful APIs.
- Enhanced web application features using HTML5, CSS3, and jQuery for dynamic content updates and user interactions
- Utilized jQuery for AJAX calls and asynchronous data handling in web applications

Education

Covenant University, Ota, Ogun State

B.Sc. Electrical and Electronics Engineering

Alx Africa

Software Engineering, 2024

Certifications and Training

The Complete 2023 Web Development Bootcamp

Udemy

Training Certificate in Frontend Web Development

Zidio Development

Date of Completion: April, 2024
